

EMpower for Society

1. Rationale

The Thai Credit Foundation aims to promote and support the development of communities, arts, culture, society, and the environment for public benefit. Therefore, the EMpower for Society project was initiated to donate funds to charitable organizations. The project operates under principles of transparency, accountability, and equitable benefit distribution to foster collaboration and networks for sustainable social development.

2. Objectives

- 2.1 To support the operations of certified charitable organizations that genuinely serve the public interest.
- 2.2 To promote social development across various sectors without favoring any specific organization.
- 2.3 To build collaborative networks for sustainable social development.

3. Target Groups

3.1 Organizations with the following qualifications:

- Certified as charitable organizations by the Revenue Department.
- Have ongoing operations.
- Operate with objectives that serve public benefit within Thailand.
- Do not aim to benefit any individual, group, or specific entity.

4. Criteria and Implementation

4.1 Organization Selection

- Must be certified by the Revenue Department as a charitable organization.
- Operations must align with declared objectives.
- Must not have a history of legal violations.

4.2 Support Format

- Financial support: Donations to organizations for use in public charitable purposes.

5. Implementation Steps

5.1 Selection

- The Thai Credit Foundation committee will select charitable organizations that align with the foundation's objectives.
- Qualifications and documents will be verified based on clear and transparent criteria.

5.2 Support

- Donations will be made to organizations for implementation according to public charitable objectives.

6. Budget

- The budget is allocated by the foundation.

7. Reporting and Disclosure

- An annual report will be prepared showing income, expenses, and all operations.
- Support information for various organizations will be disclosed transparently.

8. Expected Outcomes

- 8.1 Social development through expert organizations in an inclusive and fair manner.
- 8.2 Strong collaborative networks for social development.
- 8.3 Sustainable social development with widespread benefits.
